DETAILED ACTION

Allowable Subject Matter

- 1. Claims 1-5 and 7-9 are allowed.
- 2. The following is a statement of reasons for the indication of allowable subject matter:

The reasons for allowance presented in the previous Office action remain applicable. In addition, the claims are allowable over JP 2000-243419 (indicated as an "X" document on the International Search Report) because the '419 reference does not teach or fairly suggest at least the claimed second water supply paths.
